## Learning Plan | Social Worker

This form is to be used by social workers as a tool to document professional learning goals and demonstrate the completion of required Professional Development Hours (PDH). The plan may change throughout the renewal cycle but must be final before renewing a license. DORA will not retain a copy of this form. Save this completed form for your records. This form will be submitted if selected for an audit.

**Attestation**

This form serves as verification that I have completed the Professional Practice Rubric and Self-Assessment. I attest that the Learning Plan established above pertains to my assessment and will help me achieve the Learning Goals relevant to my advancement, experience, and/or practice. I understand that falsifying an attestation or other documentation regarding my compliance with continuing professional competency requirements may be grounds for discipline.
